

# Mrs. Noggle

"Mrs Noggle"

a 24 hour mini zine

\$1 or trade

june 2006

hello. i have been wanting to do a mini zine about my husband & i & how we got together & got married.... i was originally gonna call it "Taken". but i decided on "Mrs. Noggle" at the last minute. & i also decided to try the "24 hour zine thing" becos i've never done it before. even tho there have been many times that i have finished half or even 3/4 of a zine over a weekend to meet a deadline! i know this zine will take alotta work to get done in one day but i am totally up for the challenge!!! i'm sure that it can be done especially with a little help from my Livejournal from last year to help tell the story! So here we go!! it is june first & this is the story of how i became Mrs Noggle....

...SOMETHING GOING

this zine is dedicated to:

TIM & THERESA....& KISHTRA

first of all, i would like to dedicate this zine to tim & theresa & kishtra.... becos without them, jamie & i would not have ever gotten together. Without going into too much detail here is the jist if the story: jamie was dating kishtra for awhile & was not "allowed" to hang out with me becos kishtra was jealous of our friendship this was made worse by the fact that theresa (tim's wife) had nothing better to do than compulsively read my Livejournal & sent it to kishtra becos i had written about her in it. tim was my first boyfriend when i was 13. we got back together very briefly when tim & theresa were split up in 2004. (BIGGEST MISTAKE OF MY LIFE) tim & theresa got back together. tim & theresa were both obsessed with me...tim always has been infatuated with me cos i was his first love or whatever. theresa became fixated on me BECOS of TIM. the whole time that they have been together all he's done is build me up to her & put me on a pedestal & made me sound like a goddess to her just to make her jealous. i got all these FACTS from mutual friends & straight from the horses mouth (tim--so i guess i should say straight from the horses ASS! ha ha) when we hooked up in 2004....

i dunno if theresa knows this but tim has always been that way. becos he is insecure & wants whoever he's with to be as insecure as him. when i was with him when i was younger he would always try to make me feel bad about myself & feel like i wasn't good enough for him (even tho we both knew i could do better...but that's why he did those things) only there was no one else to compare me to becos i was the only girlfriend he ever had. those things are just part of his manipulation tactics....but anyway!!! IF TIM HAD NOT MADE THERESA CRAZY JEALOUS OF ME SHE WOULD'VE NEVER BEEN READING MY LJ & SHE NEVER WOULD'VE TRIED TO CAUSE TROUBLE BY SENDING MY LJ TO KISHTRA & KISHTRA NEVER WOULD'VE MADE JAMIE STOP HANGING OUT WITH ME & THEN JAMIE NEVER WOULD'VE TOLD ME HE WAS IN LOVE WITH ME ONCE THEY BROKE UP & JAMIE & I NEVER WOULD'VE GOTTEN TOGETHER & I WOULD NOT BE MARRIED TO MY BEST FRIEND RIGHT NOW!!!

it would be nice if i didn't hafta mention these evil people *in the story of jolie & jamie* but they are a big part of it!!!! So THANKS GUYS!!!!!!!!!!!!

<3 now i am happily married to the best husband in the world!!! <3

NOW I AM GONNA PICK UP THE STORY WITH SOME JOURNAL ENTRIES FROM MY PERSONAL JOURNAL ABOUT HOW MISERABLE I WAS LAST YEAR W/O JAMIE IN MY LIFE....

I HAD BEEN DATING A GUY NAMED BRANDON SINCE NOVEMBER 2004 BUT WE WEREN'T EXCLUSIVE & HE DROVE ME CRAZY! SO I HAD RECENTLY STARTED SEEING A GUY NAMED DEZ THAT I MET AT A KOFFIN KATS SHOW IN FEBRUARY 2005. I WAS GOING BACK & FORTH BETWEEN BRANDON & DEZ BECOS I WAS LONELY & CONFUSED & TRYING TO FILL THE HOLE THAT WAS LEFT WHEN I LOST JAMIE AS MY FRIEND. NOW THAT VOID IS FILLED WITH LOVE FROM JAMIE! YAY

5-10-05 HELLO. IT'S BEEN A BAD & LONELY DAY. I'M OK NOW. I WENT TO JOAQUIN'S & TRIED TO CALL DEZ....DON'T ASK ME WHY! I WON'T CALL OR TRY TO CALL HIM AGAIN UNTIL HIS BIRTHDAY. IF EVER AGAIN. I NEED TO STOP CALLING HIM. I NEED TO STOP LOOKING AT MYSPACE TOO- I LOOKED AT SOLAROID'S PROFILE. IT'S STILL NATE, MATT, ANDY & ADAM-> NO JAMIE....SO EVEN IF MATT ISN'T SPEAKING TO ME I'D STILL LIKE TO SEE THEM PLAY. I THINK THEY HAVE A SHOW THIS WEEKEND IN SIDNEY. I DOUBT JAMIE WILL/WOULD GO SO I WON'T EVEN WORRY ABOUT THAT. BUT ANYWAY- THINGS SUCK BUT I KNOW I'LL BE OK.

5-16-05 HELLO. THERE'S BEEN NOTHING GOING ON LATELY...BUT I DUNNO WHAT'S WITH ALL THIS JAMIE-NESS. IT'S REALLY STARTING TO ANNOY ME. FIRST ON FRIDAY I COULDA SWORN I SAW JAMIE TAKING HIS LAUNDRY TO THE LAUNDROMAT WHEN ME & MY MOM WENT TO THE BANK. HE USUALLY DID/DOES HIS LAUNDRY AT TAMMY'S HOUSE EVER SINCE HE GOT W/ KISHTRA. SO I GOT EXCITED & HOPED THAT HE FINALLY DUMPED KISHTRA. NOT THAT IT'D MAKE ANY DIFFERENCE-WE'LL NEVER BE FRIENDS EVER AGAIN ANYWAY. THEN WHEN I WAS AT JOAQUIN'S APT. ALL ALONE ON SATURDAY SOMEONE CALLED JOAQUIN'S FROM JAMIE'S HOUSE. I COULD ONLY ASSUME IT WAS KISHTRA TRYING TO GET AHOLD OF JOAQUIN. SO OF COURSE I DID NOT ANSWER. BUT I TOLD HIM WHEN HE GOT BACK THAT SOMEONE FROM JAMIE'S HOUSE CALLED HIM & I GO "AREN'T YA GONNA CALL JAMIE BACK?" BOTH HIM & JOSEPH ARE STILL FRIENDS WITH HIM-BIG DEAL! IT JUST BOTHERS ME A LITTLE....

OK-SO A FEW HOURS AGO I JUST HAPPENED TO LOOK OUT MY BEDROOM WINDOW & SAW JAMIE DRIVE BY ALONE. BUT THAT'S JUST COS KISHTRA LAYS AROUND ON THE COUCH ALL DAY. IT DOESN'T MEAN ANYTHING.

5-19-05 HELLO. I WAS THINKING ABOUT BRANDON  
EARLIER. THEN I SAW THAT HE SENT ME A MESSAGE ON  
MYSPACE. I WAS HAPPY COS IT'S BEEN A MONTH SINCE I  
LAST HAD ANY CONTACT WITH HIM. SO I WAS GLAD TO  
HEAR FROM HIM. I HAVE NO IDEA OF WHEN HE'S MOVING  
AWAY....I'M DELUSIONAL & THINK THAT MAYBE HE'LL STAY.  
HE PROBABLY WON'T & THAT SUX COS I'LL MISS  
HIM....ONCE HE'S ACTUALLY GONE. I STILL HAVEN'T  
HEARD FROM DEZ.

---

5-23-05 HELLO. I'M FEELING A LITTLE BETTER TODAY. NOT  
MUCH BUT A LITTLE....MAYBE IT'S COS I GOT THE CLASH &  
THE STRAY CATS CDS TODAY. OF COURSE NOW I OWE  
BMG ABOUT A MILLION DOLLARS... I COULD NOT SLEEP  
LAST NIGHT. PROBABLY BECOS I TOOK 2 EPHREDRINE PILLS  
JUST TO BE A REBEL. THAT'LL LEARN ME!!- IT WAS A  
LOOOOOONG NIGHT!!! I DIDN'T GET TO SLEEP UNTIL 5:30  
AM & ONLY SLEPT UNTIL 8:30 AM. I THINK I GOT A FEW  
MORE HOURS AFTER THAT COS I DIDN'T GET UP UNTIL 11  
OR 11:30! THE ONLY GOOD THING ABOUT IT WAS THAT  
INSPIRATION STRUCK & I PRODUCED TWO POEMS! I  
GUESS I COULDN'T SLEEP UNTIL THOSE POEMS IN ME CAME  
OUT!

SO....ACCORDING TO DEZ'S BLOG HE'S MOVING BACK TO VA  
IN JULY. OH SURE, HE'S SAID THAT BEFORE BUT HE  
PROBABLY MEANS IT THIS TIME. WE STILL HAVE TIME TO  
HOOK UP-I COULD STILL GET THAT "BIRTHDAY BOOTY". BUT  
AH WELL-I'M TOO STUBBORN TO ASK. BRANDON IS  
SUPPOSED TO COME OVER TOMORROW. MAYBE THAT'S  
WHY I'M NOT SAD & DON'T CARE THAT DEZ IS LEAVING  
TOO. (SO IS BRANDON. EVERYONE I LIKE MOVES AWAY!!!)  
I GUESS IT'S A GOOD THING I NEVER GOT ATTACHED TO  
DEZ. HE'S THE DEVIL IN DISGUISE.

---

5-24-05 HELLO WELL OF COURSE TODAY IS JAMIE'S BIRTHDAY. & OF COURSE I REMEMBER... ME & MOM WENT TO JOAQUIN'S HOUSE. I GUESS HE'S BEEN HANGING OUT WITH JAMIE. JAMIE EVEN WENT TO HIS HOUSE & HUNG OUT. IT DOESN'T BOTHER ME AS MUCH... I'M LOSING ANY TYPE OF FEELING ABOUT IT. I JUST DON'T CARE. OK IT BOTHERS ME A LITTLE BUT IF I IGNORE IT-IT WILL EVENTUALLY GO AWAY. I'M GOOD AT THAT. JAMIE HAPPENED TO CALL WHEN I WAS THERE & JOAQUIN TOLD HIM "HAPPY BIRTHDAY." JAMIE SAID HE "DIDN'T HAVE THE

NERVE TO COME OVER" COS I WAS THERE. I JUST ROLLED MY EYES. JOAQUIN KEPT LOOKING AT ME FUNNY LIKE HE THOUGHT I WAS PISSED. & HE ASKED ME IF I WANTED TO TALK TO JAMIE & I SAID "NO." I'M NOT TALKING TO HIM JUST COS I'M BEING STURBORN. I JUST DON'T WANNA DEAL WITH IT. IT'S NOT THAT I DON'T WANNA BE FRIENDS WITH HIM AGAIN I JUST CAN'T. KISHTRA MOVED TO SOUTHSIDE BUT I DUNNO IF THEY BROKE UP OR NOT. I GUESS IT DOESN'T MATTER SINCE I DON'T WANNA BE AROUND JAMIE ANYMORE ANYWAY.

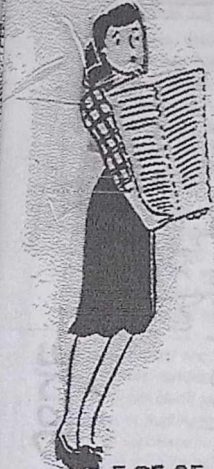

5-25-05 2:30 pm hello. i dunno if brandon will come over today or not. if so i'll be ready for him. i'm just gonna wait around for him to send a text message. & i warned joseph that brandon will be here. i told him that if he sees a blue camaro parked outside that means brandon is still here. i guess joseph broke up with donna AGAIN so he brought all of his shit over here & will most likely end up staying with Jamie.

when he first came in he's like "Did Noggle come over here yesterday?" I go, "No." he said that Jamie said he was gonna stop by...i'm glad he didn't. i'm happy he wants to be friends again but i really don't feel like i can be friends with him. i'm still HURT. it's not about being STUBBORN anymore. i am not NOT speaking to him to be a bitch. i just don't feel like i can cos i don't wanna DEAL WITH IT. it'd be nice if i could but i can't. I DON'T WANNA TALK ABOUT IT. not with him. i juswanna forget about it. i am able & quite good at pretending things never happened. but i am not ready to do that yet, maybe if we went to a show or something. or if we went to Matt's house where there were lotsa people. i MIGHT be OKAY to do THAT. i can't do a one on one with him right now. i need a buffer.

anyhoo--joseph left & went to City Cafe to wait for Jamie to get off of work. but i

am hoping that neither one of them will come around since i told Joseph that Brandon is coming over. bye <3 Jolie

5-25-05 5pm hello again.ok--so it's obvious Brandon is not coming over today. but that's alright. i just lied & told joseph he was still coming over...that he "just got off of work & it takes him 45 minutes to get here." i had to make an excuse cos Joseph tried to get me to go drink forties w/him & Noggle. FUCK THAT! he just bursts in the door & asked me where Brandon was & as he left he like "so are you gonna drink or what?" i go, "No" he said "why?" i go, "cos brandon is coming over!" he goes, "when?" so i lied. i'm not in the mood to see anyone. goodbye. <3 Jolie

5-25-05 almost 2pm hello. jamie just came over but i didn't talk to him. mom was still here so she answered the door & told me, "Jamie wants to talk to you." i just shook my head. & she told him that i didn't wanna talk to him. i'm not trying to be a bitch...i just can't face him. it still upsets me. like i've said before: the whole thing was like the Joseph/Lori thing. but joseph is my brother--i had to forgive him. i don't hafta ever forgive Jamie. in all honesty--i never even really forgave joseph & jamie knew how much the joseph/lori thing upset me...

5-25-05 4:30pm hello there. on my walk home from the library jamie & joseph drove by honking at me. i got home & found a letter from jamie on the table. i assume he brought it & gave it to mom. i just didn't see it before i left. i wasn't even gonna read it. i actually threw it in the trash but i couldn't NOT read it...i finally did & it made me cry. cos he said he misses me & i'm his best friend. so i was still bawling about it when joseph started banging on the door. i let him & jamie in so joseph could drop off his stuff. & i ran & hid in my room where i'm safe. goodbye. <3 jolie

JAMIE,

I didn't read yer letter until today. I wasn't even gonna read it but I'm glad I did. I didn't even think you cared. I honestly thought you were happy to be rid of me. I'm sorry about the whole stupid livejournal thing but I wasn't gonna tell you what I really thought of Kisitra (but I'm sure you knew) & I didn't think she'd be reading it. I still think she was lying about it being sent to her but who cares? I'm glad she's finally gone. It's so stupid that she didn't even like me but cared so much that I hated her...let's never speak of her again.

I still feel bad about everything. I'm kinda over it but I'm sure things will come up again later. You know how I am about getting over stuff... I still bring up Lori all the time, but of course I forgive you. I just don't understand why you let her control you like that, but it wasn't my business so I tried to keep my mouth shut & vent about it on livejournal.

I wanna hang out with you again but I really don't wanna talk about this anymore.

I was hoping that we could be friends again but the longer it dragged out & the longer you were with her I thought it would never happen. I thought she totally turned you against me like Lori did Joseph & Joaquin...

sorry I missed yer birthday but of course you know I remembered! yer my best friend!!

5-27-05 4:20pm

hello. i sent a message to jamie on my space. i dunno when he'll read it. his last login was the 21st. i mentioned it to Joseph when he stopped by awhile ago. i think him & donna might be back together cos he was driving her car! anyway - i feel better now since i finally wrote to jamie. cos i do wanna be friends w/him. he's one of the VERY FEW people that actually do care about me. i don't wanna lose that. so if he does end up coming over again maybe i'll be ok to hang out w/him. it's friday night! whoo! i might be drunk by then anyway. cos after "Kings of Queens" goes off i'm gonna go to Rite Aid & buy a 6-pack! goodbye.

5-29-05 10 am hello. jamie came over friday night & everything was cool & like old times. drinking beer & watching "Punky Brewster" on dvd w/joaquin. he went to the big BBQ at Donna's yesterday. i drank all evening. then me & jamie went to his apt. & drank forties. & sat around & made fun of metal videos & 80s videos & then we watched "viva la bam". i was so drunk i was dizzy. i finally left at 3 am. we've had so much fun & i hope it won't be ruined by the fact that he gave me another letter before i left & i was too afraid to read it. i'll read it after i have a cup of coffee...

once i had sent that message to jamie on myspace i felt ansy & nervous about seeing him again. i didn't know if it would be awkward or if i would get upset about something & kick him out...i just didn't know what was gonna happen! plus we hadn't spoken for 2 or 3 months. i was so upset that he let someone come between our 4 years of friendship—especially someone that was SO not worth it. but he came over. & i answered the door & was so happy to see him!!! i didn't hug him & until he asked for a hug after 15 or 20 minutes of conversation! we mostly just got caught up on each other & drank a 6-pack i had gotten earlier that day to calm my nerves & shared a 40 that he brought over in his back pack. he got to my door all outta breath! he only lived down the street but says he ran all the way to my apt once he read my message cos he was so anxious to see me!! i invited him to a bbq at my brother joseph's. joseph's girlfriend donna's house the next day. he was supposed to meet me at my apt & we were gonna drive over to donna's house w/my mom & other brother joaquin. i remember sitting around listening to the stray cats anxiously awaiting the arrival of my best friend! i was just so excited to be hanging out with jamie again....we had so much fun that day. it had been a loooong time since i had that much fun. we laughed our asses off all day & it was just a really good time. little did i know—jamie had written me a love letter & had it in his pocket the whole time. we went back to his apt & got really drunk & i stayed way too long cos he did not want me to leave....& when i finally did he handed me the letter & i was terrified to read it. i walked home with a pain in my chest & wanting to cry cos i knew what it was gonna say. & after avoiding the topic for so many years i was finally confronted with it & i had to talk to him about it. jamie was in love with me & always had been..... & i was scared.

5-29-05 4:50 pm hello. i have been avoiding jamie all day. he's been here twice. i heard him knock both times even tho i was drifting in & out of sleep. mom told me that joaquin was pissed & thinks we ditched him last night. i wanted joaquin there cos i'm trying to avoid being all alone with jamie. cos he thinks he's all in love with me again. he wrote me a letter about it. i have no idea what i'm gonna say to him. i feel bad becos i've been avoiding him. i just dunno what to do. if he comes over later i'll answer the door. it's not gonna just GO AWAY. i wish it would. bye. & Jolie

5-31-05 12:30 am hello. jamie came over again last night at 8 or 9 pm. i answered the door & finally faced him. i broke it to him gently as possible. i'm glad we talked about it & got it outta the way. we ended up going to piqua & spending the night at aaron's house. we all got totally drunk. we had fun! i'm glad that jamie is my friend. i hope he'll be okay with it. i hope he won't resent me cos i can't give him a chance co i just don't feel that way. i can't even read that letter ever again. it breaks my heart honestly. cos i can't have those kinda feelings for him & so few people actually care about me like that. it sux. he took it well. & he still wants to hang out with me. i know i'd never be able to do that. i couldn't be in love with someone & confess my feelings for them & then be "just friends" cos i have that stupid pride thing....so it's cool that he can do that. but i guess he's always had to do that with me. all these years he's wanted to be with me....it's so crazy. things went right back to normal with us as soon as we got done talking about it. i wish i could get it outta my head. i don't understand why he likes me so much. i guess i'll never know! but i hope he can find a girl he can be happy with. but how can he do that with me always hanging around??? it's all on him—he's the one that keeps coming around & wanting to spend time with me. but atleast i'm not ALL ALONE like usual. it's been an extremely long & exhausting week cos i have been with jamie evry day since friday. Anyhoo—i was glad to home today cos i was hung over & felt like shit. but jamie came back after 2 or 3 hours. we hung out w/ joaquin & went to greenville & ate at "Dragon Buffet." then we went to jamie's & watched Crybaby". kushira stopped by to drop off some ribs for jamie....i dunno why. i guess just to tell him "congratulations on getting jolie back." she's fucking crazy. they are not even together anymore so why should she care that me & jamie are FRIENDS??? it's not like i am his new girlfriend....i'm not even his old girlfriend.... ryan called & i think him & jamie are gonna hang out on friday. my birthday party is on saturday cos my birthday is on monday. he called matt & mentioned it to him so i hope matt comes over. i'm so happy to have my friends back. Happy Birthday to me! & JOLIE

jamie came over all bright eyed & happy to see & here i was dreading the whole thing all day. i said nothing about the letter until we got into the car. i just remember being really nervous as i shut the car & turned to him & said, "i read yer letter." & i rambled on & on about how i loved him like a brother & didn't wanna risk ruining our friendship & a bunch of other stuff i know he didn't wanna hear. i didn't know what he was thinking cos i couldn't read him. i was kind of afraid to look him in the eye. all he could do was nod & make jokes about it. (later he told me he almost cried.) we went to our friend

aaron's house & had a great time like we always have...he gave us bad punk rock tattoos & we had all kindsa drunken fun!!! :)

June 1st 2005 10:30 am hello. it's june. i'll be 27 in 5 days. that sucks. i guess jamie is gonna come over EVERYDAY! i guess it's alright. it's not like i have anything else to do! i was at the library until 4 cos i didn't get there until about 2. i spent most of the time writing about my weekend on Livejournal. it was a "friends only" entry. i haven't heard from dez but that's a good thing. i haven't heard from brandon & that's an even GOODER thing!! jamie came over at around 5 or so i think. & we went to mcdonald's & ate. then we came back here & watched tv & then we went to jamie's & watched TV!! then we decided to take a walk & we walked all the way out to the park & walked thru the cemetery & looked at Dad's & scott's graves. we got back here at about 9pm & sat on the porch for awhile. kishtra walked by with pink & someone else. they waved. he said kishtra was staring at us the whole time she was standing on the hill at michelle's house. she's like "SHE JUST WON'T GET OVER IT." then he ranted & raved about her for awhile. we went to his house again & watched "viva la bam" again. i left at almost 1 am so i hope he got enough sleep. he said he didn't care about sleep but i bet he does now that he's a t work & he's tired. we walked all over town last night so i was all kindsa tired so i slept okay.....jamie said we might go to the movies on thursday & we'll be drinking on friday & saturday. but i will probably see him tonite too. goodbye. <3 Jolie

that night we had a heart to heart on my front porch. & i remember him telling me that he wasn't gonna go out with anyone & didn't want a girlfriend if every girl he dated was gonna be jealous of me. i got really frustrated & sad for him.... cos i was always with him but didn't wanna date him. & he couldn't love anyone else but me. he was tired of trying to find someone else when who he loved was his best friend. but i just didn't get it back then...

June 2nd, 2005 2:40 pm hello. i was supposed to start my novel yesterday. i got kind of a good start. i'm supposed to write atleast 1000 words a day. i wrote about 400 i think. & that's more than i thought i could squeeze out! but i know i'm not gonna write anything today cos it seems that i am currently DATING MY BEST FRIEND!!!! we spend too much time together, it's freaky. but i guess it's better than being all alone. jamie got off of work early yesterday & tammy owed him money so he went & got me BIRTHDAY GIFTS! what the fuck?! the first thing he did was buy me 2 roses & a case of Mickey's! so we drank a little. then jamie got the bright idea to do his own tattoo! so we hopped in the car to drive to Greenville just to buy indie ink & needles! he spent like 2 hours tattooing his leg & it turned out better than the ones aaron did! i decided that i would get a skull & crossbones under my name on my leg. but we're gonna do that today. i

dunno WHEN! we're supposed to go to a movie today. & we were talking about french toast all week for some reason so he said we're gonna go to mr. dudley's to eat today. kishtra came over to jamie's house to use the phone & then bitched at him about how he spends all his time with me & he can't reserve an hour to hang out w/ her--so he shut the door in her face!!! that's so funny!!!! he's finally realizing that he has to be MEAN to her or she'll never GO AWAY! he doesn't hafta put up w/ her shit anymore. HE'S FREE. he doesn't wanna be friends with her. & he doesn't have to! when jamie finished his tattoo we went & got a forty & drank that & watched tv. that was the rest of the night. tv & tv dinners!...& beer. good times!

shutting the door in his ex's face turned out to be a big mistake. becos she decided to get revenge by breaking into his house the next day & stealing \$500 & his \$250 wedding band from his lock box. jamie was late that day. he was supposed to come over at a certain time but didn't show up. until 2 hours later. i became concerned & my stomach was in knots cos i knew something bad had happened. i was relieved to see he was ok when he finally showed up at my door, but he was exhausted & exasperated & pissed. he filled me in on what happened. he had called the police. kishtra showed up & acted like she had nothing to do with it & she was supposed to go get fingerprinted cos they found a print on the door. cos she had broken the glass to get in....she came over to bitch at jamie some more about wanting to be friends with him but he was with me all the time. he was supposed to go to her house & "talk" so she could get "closure". of course he didn't go...it's hard to say what woulda happened if he had gone!!! as soon as he told me the story i knew it was kishtra that did it. but we went & ate at mr dudley's like planned. then went & got booze. & kishtra's friend lance found us & told us some story about this other guy saying he was bragging about breaking into jamie's house. but we knew he was sent to tell us that so jamie wouldn't suspect kishtra. but we knew it was her....

so much happened over the next few days that i didn't even write about it in my journal! i didn't write again until my birthday...

june 6th, 2005 9:05am

hello. well it's my birthday & i am 27! it sucks but i'm ok cos i am **HAPPY!** i finally stopped being scared of being happy cos i don't wanna be alone. so i am giving it a chance. **I AM WITH JAMIE NOW.** & it's **AWESOME.** cos we're so happy!!! i guess he was right all along!

last week i really wasn't gonna let myself feel anything for him & i wanted to avoid him cos i was nervous about telling him i just wanted to be friends. & at the time i really did. but as the week went on i actually got excited about him coming over. & i found myself waiting around for him! he didn't come ~~over~~ <sup>over</sup> on thursday until about 5:30 & then i found out it was becos someone (kishtra) broke into his apartment & stole all of his money. but he came over here & said (later) that just seeing me made everything better. :) friday night ryan & kristen came over. & joaquin hung out for a little while. we got drunk like we always do. jamie tattooed my leg. i was nervous about him doing it cos he's never touched me like that & never touched me for so long! we watched tv & eventually ryan & kristen went to bed. jamie kept sitting closer & closer to me & touching my leg. & i wasn't HATING it! so i didn't move

& once we were alone he asked if he was making me uncomfortable by touching my leg. i go, "no." & he started telling me a bunch of sappy stuff & i liked it. & i finally realized that i make him happy & he deserves to be happy. (& so do i.) & he's been thru so much shit & i make him feel good just by being ME. & that's all i have evr wanted from someone. he's my best friend & he deserves a shot. i have given so many chances to so many stupid people that did not deserve it. i told him that i care about him & love him cos i do. i can't remember if he gave me his other letter before that. but he wrote a letter at work that said something about giving it one more try & he told me that he was about to give up.... but i'm glad he didn't!!! COS I FINALLY GAVE IN! it's so cool that he didn't give up on me! he's been in love with me all this time. so i know he's not going anywhere. he's always loved me & always will. so it's all on ME & that makes me a little scared. & if i fuck up - i am afraid i'll lose his friendship. but so far it's only made it stronger. i know it's my fault me & jamie never hooked up. just cos i was stubborn & wouldn't let it happen. but i loved being his friend. right now i am loving being his girlfriend. no more running away!!!

THIS IS THE BEST BIRTHDAY PRESENT EVER!!!

anyway-back to the story! we st

nt to go get beer we saw mom & joaquin  
way to karaoke. so we picked them up &  
announcement. no one was really surprised!  
ady had a feeling! most people's reaction is:  
rt time." it's about time jolie came to her  
dream come true was right under her nose  
jamie's apt & he called matt. matt didn't  
over! so we packed up our alcohol &  
ht drinking & laughing hysterically at matt &  
look so cute together! we left pique the  
did all day! but when we got back to jamie's  
from kishtra the psycho on the answering  
s. it's not a SECRET so that's ok. but of  
in probably enjoyed telling her!!! we went to  
already know cos mom told him at the bar!  
he said he told tony about us & he said the  
ad asked joseph why me & jamie weren't  
the night last night cos i was afraid i'd keep  
p for work today. we went to bed at 10pm &  
alotta energy!!! he dropped me off at home  
another cool thing about being with jamie is  
relationship history! we don't gotta explain  
E THERE! ( & we wore there for each other  
e noticed that we are totally comfortable  
efore there would be some TENSION...i  
now it's gone so that's pretty damn  
w easily we became totally comfortable  
was only over a weekend!" & THIS IS ONLY

so yeah-i was a little intoxicated when me & jamie got together but it made me not as uptight about everything. it wasn't just becos i was drunk!! i remember avoiding the whole tattoo thing ALL WEEK just becos i didn't wanna be alone with jamie when he did it! cos i was afraid of what might happen! i was afraid that jamie would finally make moves on me even tho he never had before... & i remember looking at him across the room the night he did my tattoo & wondering why i couldn't like him like he liked me...but i probably DID. i just didn't realize it or acknowledge it. 3 being away from him for months only intensified his feelings for me & made me question my feelings for him. so once we were alone those emotions poured out. & i'm so glad they did!! i was so nervous about telling people about us & i'm still not sure why. maybe becos everyone knew i was in love with him way before i did!! i knew kishtra would go totally psycho & she did. then she spent the summer stalking us...& i know that was gonna happen cos she is so fucking UNSTABLE. the next day was such a FAIRY TALE!!! he made me feel so good & told me all these things that i loved to hear. he told me about how he had spent the week moping around listening to "i wanna be your boyfriend" by the ramones over & over!!! then he proceeded to make me a mix tape of all the songs he said he listened to all week cos they reminded him of me!! i still listen to that tape sometimes & it takes me back to that moment & still makes me smile!! :) i remember falling asleep with him on the couch facing each other & waking up & being in total pain becos of the way we slept & laughing about it! then we went & hung out with matt & matt was so happy for us cos he (like everybody else we know) knew we shoulda been together a long time ago!!!

SUMMER 2005 the summer was a whirlwind of happiness and good times!!! all i know is that it was the best summer of my life.

it was "the summer of bad tattoos" & the smell of A & D ointment still gets my heart a-flutter cos it reminds me of that era!!! & how i feel in love with my best friend!!!

# JOLIE & JAMIE

the other half of the summer kinda sucked becos jamie's ex-psycho & her friends were stalking us. but once that was over we were back to being in our own little happy world! we were only together for 5 months when WE GOT MARRIED! once we wed stupid people finally stopped fucking with us cos they knew they could nver come between us cos we will be together FOREVER...(or until one of us dies!!!)

## 8-16-05 marriage

there is no doubt in my mind...i know that i am gonna marry jamie. i really think that we were made for each other! he knew long before i did thol after years & years-- he finally caught me!! :) & now i'll be his forever! cos he loves me so much & i love him more than i have ever loved anybody.i mean i guess i have always loved him as a friend. but he was always in love with me. i was so afraid to love him back cos i knew that once i let myself fall in love with him i'd fall HARDCORE!! & there was no going back! i'm so happy that i let him convince me that it was a good ideal cos we are so happy together...he started talking about marriage only a few days after we were together! i got a little scared & still have moments where i get freaked out & try to run away. i push him away cos i feel like i don't deserve to be so happy or some shit. but after a few weeks i knew that it was meant to be. we decided to get married next halloween. sometimes he'll say, "a marriage license is only \$40 we can just go get one. they are good for a year." then once we have it we can get married whenever we want to. & i know we'd end up getting hitched way before next halloween which would totally ruin the whole halloween anniversary thing! we don't need to rush into it...we both know we wanna be together for the rest of our lives. but sometimes we think we should just do it. becos we know we are gonna get married so why should it matter when we get married?? it doesn't-- so we'll wait until we're ready.

## 8-20-05 GETTING MARRIED!!!

me & jamie are getting married THIS halloween isn't of NEXT halloween!!!! YAY!

10/29/05 08:31 am - "congratulations jamie & jolie noggle"  
on thursday we got a wedding card from jamie's grandparents. (signed "mimi & pappy" awww!) i showed it to jamie when he got home from work. later i said something about being lame & keeping the envelope just cos it was addressed to "jamie & jolie noggle" ...i went to look for it. it wasn't on the counter-i said to jamie "you threw it away didn't you?!" he said "i might have..." he threw away a bunch of empty envelopes. he went & got it outta the trash & it had coffee stains on it! :( so i jokingly said in an overexaggerated whiny voice "this is what you think of our love?!!!" OuR LoVE is CoffEE StaiNed!!! it's not that bad tho! i'm still keeping it! i wanna get a scrapbook & put all our wedding cards & photos in it...i guess i can be a lil' sentimental! we got bored later that night & went to my mom's apt. & asked her if she wanted to play "scrabble" & "sorry" with us! so we drank beer & played board games with my mom...

friday was family day! it seemed like it anyway...jamie called his grandparents to thank them for the card. (cos i told him to!) they asked him if he could carry their microwave out to the trash! so we stopped by there. they invited us to thanksgiving. then we went to that restaurant in bartonia & ate. then we stopped by jamie's dad's house. we had gotten pie for him & joaquin cos we knew we were gonna be stopping by to see them. we went to joaquin's house

& hung out there for awhile. ate pie & drank coffee. exchanged movies we needed to return & wanted to borrow....then we went to walmart. then we stopped by Marsh to get a wedding cake! we decided to just get a Halloween cake! my cousin sherry was the one that wrote "congratulations jolie & jamie" on it! i didn't even know she worked there! i'm glad it was her cos then i didn't

hafta correct her when the cake ended up saying "Jalie" instead of "Jolie"!!! cos i'm sure that woulda happened! she didn't even know i was getting married!!! what the fuck? BAD NEWS in my family spreads like WILDFIRE! if anything GOOD ever happens it seems like no one knows about it!! it's so fucked up! cos i know my mom told my aunt i was getting married. i guess to them it's something not to take so seriously cos i was also supposedly gonna marry tim...but this is for real even tho me & jamie aren't having a wedding & having a lame ass halloween cake...we take it a lot more seriously than we come off. we want it to be FUN!!! & it is. we like everything to be fun. it doesn't mean we're never serious cos we are. we have alotta INTENSE moments & conversations!!! so we really do take this marriage seriously.

i need to take a shower...the coffin kats show is tonight

10/30/05 07:16 pm - the honeymoon is over

so soon? nah! not really! me & jamie decided to take an "early honeymoon" last night-> ~~it was just an excuse to spend the~~ it was just an excuse to spend the night in muncie & get new tattoos! i got another nautical star. black & blue this time...jamie got another gwar tatoo. it looks fucking awesome but it's all bruised cos he got it on the inside of his elbow...ow! it looks painful! now we're all tattoo crazy again!!!! once we move into the house & pay the utilities & everything we are gonna use the rest of the money in the bank to get tattoos! plus jamie's mom is still gonna get jamie a tattoo kit for xmas! she is also suppost to visit in december so i'm sure she'll buy us all kinda shit!!! that kicks ass!!! :) we also went to the Halloween USA in muncie & got a bunch of half priced stuff!!! we hope it's still there later this week so we can buy more clearance stuff!!!

11/1/05 08:30 am - wedding cake for breakfast

good morning! i am eating wedding cake for breakfast! so i've got a good sugar buzz going on!!! well i got married yesterday! the ceremony went smoothly except for the fact that ryan almost made jamie laugh during our vows!

RYAN TRIED TO MAKE JAMIE LAUGH  
COS HE SAID JAMIE WAS GETTING ALL  
CHOKED UP! Awol ☺

ryan is wacky...right before the wedding me & jamie were kissing & he said to me "i love you" i go "i love you"....ryan rolls his eyes & says "well i like to stay for the wedding but i dunno what i'd do with all the vomit." ha...very funny! kristen got me a big bouquet of flowers so i looked somewhat bride-esque! they also took photos. joaquin took photos with my camera & has black & white film in it. so i think they'll be pretty cool looking! after that my mom look us out for dinner...she also gave us \$50. lori sent us \$40 which i totally did not expect but totally appreciate!!! she sent us lotsa goodies! jamie's eyes lit up when he saw the misfits videos & all the pins & patches she sent!!! (he's so cute!) she also sent a photo of us she printed & a whole package of photo paper which will definitely come in handy! cos me & jamie were talking about getting lotsa frames & putting photos all over the house when we move into it! so that was pretty damn cool...we stopped by big lots in greenville & jamie got some halloween clearance stuff. matt had called earlier that day & asked us if we wanted to come over. & of course we did! we stopped by Spencer 1st cos there was a photo album there that i had wanted to buy! so i got that & a picture frame. we hung out at matt's house with him & jordon for awhile. we were gonna spend the night cos we wanted to go & hang out w/ aaron today but we were tired & wanted to sleep in our own bed. it didn't seem like we did that much yesterday but we were totally exhausted by the time we got home!!!! i got tons of "congratulations" messages on myspace today! so i spent about 45 minutes thanking & writing back to everyone!!! i know there's probably still more to come! & i know atleast 2 penpals that are sending me & jamie a gift & we are just happy to get a card so that's fucking awesome!!!! getting married rules!

**the case is SOLVED. (& closed forever)**

so i get this message forwarded to me today from someone that i used to write to but haven't heard from for a long time.....after a little investigating she found out some very interesting information.... there was all this shit it's like "this is what my husband likes so i'll say i like it too!"

duh!!! "THERESA" sent me a message before. (most likely just trying to start trouble.) & i guess it is just TIM pretending to be theresa. but i dunno what to believe. but who cares?..... i just dunno if it's really theresa OR tim being theresa OR theresa saying she's om.... but i don't give a fuck! they are both liars & psychos with way too much time on their hands & care way too much about ME & MY LIFE. they need to get lives.

According to tim---he is the one that sent my livejournal to kishra last year. & i totally gotta THANK him for that!!!  
**THANKS TIM !!!! BECOS OF YOU I AM WITH SOMEONE THAT ACTUALLY LOVES, CARES AND RESPECTS ME.** (you dunno the meaning of any of these words.) JAMIE TREATS ME LIKE A QUEEN IT IS THE BEST THING THAT EVER HAPPENED TO ME. cos when jamie finally did break up with the kishra beast WE GOT TOGETHER. becos being away from each other for a few months only made us closer & WE FELL IN LOVE. THANK YOU SO MUCH!!!! doesn't it make you feel so good to know that you are the one responsible for MY HAPPINESS?!?! Cos now jamie is my HUSBAND & we can HAVE KIDS (little doyle) & be a FAMILY & LIVE HAPPILY

Ok... so i was pretty pissed when i found out it was Tim & theresa that sent my LJ to kishra. But suddenly it all made sense! & it all ties together, & out of all the evilness of these 3 crazy people from me & jamie's past came some- thing good & US! & it was all thank to them! i wrote this NASTY entry on LJ. it had to be said.

EVER AFTER.

**Tim--** you are the most pathetic person in the world (besides Kishtra of course) yer life must be as empty as hers since you have nothing better to do than read my Livejournal & stalk me on Myspace. i thought kishtra was crazy obsessed with me!! damn--it was NOTHING compared to yer fucked up infatuation with me!!!

## YOU NEED TO GET OVER ME!!!!!!

I don't feel sorry for you. ( i do pity yer wife & her kid cos they are stuck with you. whew! i really dodged a bullet there!!! matt always says "jolie i am so glad you didn't marry that crazy Tim dude! i was so worried about you" the he proceeds to laugh at you & make fun of all the stupid shit you used to say.) you are so full of shit. you lie so much you actually believe yer lies!! but you have the same problem as kishtra-- you just can't keep yer story straight.

don't get pissed cos **i love jamie** & we're so happy & yer so miserable with yer "fat ugly evil wife" (which are yer words. i don't even know her) i am sure that you felt **so satisfied** that you broke me & jamie apart for 2 or 3 months

but yer stupid little plan **BACKFIRED!!** didn't it?? Jamie never even gave a fuck about that Livejournal shit. he hated kishtra by then but didn't know to get away from her. & he felt sorry for her just like i felt sorry for you. i just got back with you to get over someone else (you know who!! wasn't it obvious? cos that's who i hooked up with when we broke up) & maybe i was just USING you but that doesn't make me half as EVIL as you. "EVIL" isn't even the right word. yer just completely INSANE & FUCKING STUPID. you & kishtra really should get together...you were made for each other. & p.s. you never deserved me anyway!! i was soooooo much better than you!!! I WAS WAY TOO GOOD FOR YOU.& you even told me so. me

& Jamie were so lucky to get away from you & kishtra. yer fucking psychos!! stop living in the past. i know you'll never get over me cos you admitted that to me but i am fucking married so MOVE ON!!!!!! that's so sad that you will never be with me just like kishtra will never be with Jamie. you & kishtra are so much like i am you 2 can do it make fun of us & pretend it doesn't bother you that we're so happy together & YER LIFE SUCKS & ALWAYS WILL!! that's not his fault!! so stop bringing up old sht & trying to drag me down cos i can guarantee that it will never work!! you & kishtra are so insecure that you have to talk sht about me & Jamie to make yourselves feel better & cover up the fact that it still bothers you. YOU GUYS CAN JUST FUCK OFF!!!!!! YOU WILL NEVER MAKE ME FEEL BAD OR CRAZY AGAIN & KISHTRA WILL NEVER MAKE JAMIE FEEL LIKE HE'S A BAD PERSON EVER AGAIN!! SO THERE!!!!!! YOU PATHETIC LOSER.

a note that i am with Jamie. i realise i never loved you, you never meant anything to me. NOT LIKE JAMIE DOES. I was in love with some stupid memory from junior high that never was ever REAL. you were never that person.

Jamie is the love of my life. he is everything i have ever wanted. you never were & never could be no matter how hard you tried....Jamie told me everything you ever said about me behind my back

cos you'd never have the guts to say it to my beautiful face cos you are a fucking pussy!!!! you are a loser & will always be a loser!! yer mad cos i belong to Jamie & yer wife will never be ME. yer just jealous cos you know that you will never be as happy as i am.

so fuck you you  
fucking  
psycho!!!!!!!!!!!!!!!!!!!!!!
